

Editor - Medicine & Life Sciences (Contractual; Work-from-home)

At Cactus Communications, you can join a team of highly skilled editors who are experts in various academic fields. We're currently hiring **Editors** for our **Medicine & Life Sciences** teams on a work-from-home basis.

WHAT YOU WILL DO:

- Edit manuscripts written by non-native authors to ensure that the final text is in standard scientific English and is free of unclear or unidiomatic sentences.
- Adhere to job-specific instructions and format manuscripts according to the target journal when required.
- Understand client and industry requirements and adapt working approach accordingly.

WHY THIS IS A GREAT OPPORTUNITY:

- **Flexibility.** You can work from anywhere in India.
- You will gain experience to help you become adept at editing.
- You will have unlimited access to exclusive interviews with industry experts, articles on the latest industry trends, and publication and writing tips on our learning and discussion platform.
- At CACTUS, you will be exposed to research carried out worldwide and will get an inside view of the burgeoning, multi-million-dollar publishing industry.

WHAT YOU NEED:

- A Bachelor's/Master's/PhD degree in any sub-specialization of Medicine or Life Sciences.
- Excellent written English skills and attention to detail.
- Familiarity with MS Word, Excel, and PowerPoint.

If this opportunity interests you, please click [here](#) to take the first step (online test). Please do not take this test on a cell phone/hand-held device.

If you are shortlisted, we will contact you with the next steps.
