Designation: Senior Research Associate

Job Location: Bangalore

Department: TM - TDDT

About Syngene

Incorporated in 1993, Syngene International Ltd. is an innovation-focused global discovery, development and manufacturing organization providing integrated scientific services to the pharmaceutical, biotechnology, nutrition, animal health, consumer goods and specialty chemical industries around the world. Syngene's clientele includes world leaders such as Bristol-Myers Squibb, Baxter, Amgen, GSK, Merck KGaA and Herbalife. Its innovative culture is driven by the passion of its 4240- strong team of scientists who work with clients from around the world to solve their scientific problems, improve R&D productivity, speed up time to market and lower the cost of innovation.

Job Purpose:

We are seeking an entry-level research associate to join the Pre-Sampling team at the BBRC. This position will involve direct handling and processing of highly valuable clinical specimens from our external collaborators as well as tracking work in a laboratory inventory management system (LIMS)

Key Responsibilities:

- Isolation of PBMCs and plasma from whole blood, tissue processing (frozen and FFPE)
- Utilizing sample tracking software (LIMS) to track work and sample quality and quantity in real time
- Database management and basic analysis and statistics using visualization software.

Educational Qualification: M.Sc/ M.Tech

Technical/functional Skills:

- Prior experience working with patient samples (i.e. FFPE tissue, Fresh Frozen tissue, blood) or working in a CLIA/GCLP/clinical environment is a plus
- Must be comfortable and able to work with human derived samples and potentially biohazardous/infectious material

Experience: 3-5 years

Behavioral Skills:

Ability to work in collaborative atmosphere. Strong communication and presentation skills.

Equal Opportunity Employer:

It is the policy of Syngene to provide equal employment opportunity (EEO) to all persons regardless of age, color, national origin, citizenship status, physical or mental disability, race, religion, creed, gender, sex, sexual orientation, gender identity and/or expression, genetic information, marital status, status with

regard to public assistance, veteran status, or any other characteristic protected by applicable legislation or local law. In addition, Syngene will provide reasonable accommodations for qualified individuals with disabilities.
