

# UPCOMING ACADEMIC PANEL Q&A

SEPTEMBER 26, 2021

---

*Q. For South Asian University @Ritu Gaur: Are there any current opening for Asst. Prof positions in the field of Life Sciences/Biotechnology; science there are no advertisement on the University webpage....!!! (Asked by Indrajit Sahu)*

A. There are currently no openings due to space constraints . But our university is planning to move to its new campus next year. So, hopefully soon. Keep an eye on the website.

*Q. I would be grateful to know about any opening for Assistant professor in Biophysics or Chemistry: Briefly, I have research experience in :1. Protein modification (chemical/light induced);2. Nanoparticle - protein interaction + Nanodisc-protein; 3. Lipid and membrane protein behavior; 4. Enzyme structure and function, and 5. Computational studies Thanks?*

A. Please apply to both dept (Chem and Biol)
